WHO?

Digital Champions

Volunteers & Work Experience people

You are urgently needed for various centres across Kent, Medway and London. We need you to help us to teach new computer users some basic computer skills, like; how to use the internet, shopping online, Facebook, Twitter, Ebay, create your own website and much more.

NO EXPERIENCE REQUIRED as full training will be given.

WHY?

Hayley Smith from S&G, has made a pledge to help to get 5000 people using computers & the internet by March next year. To achieve this target we need your help.

YOUR REWARD

FREE Microsoft Office Specialist Certification will be available to all volunteers who help us achieve our goal.
